FUND-Raising Opportunities

Da Vinci's Market has several partnering options to assist your school, church, or organization in the raising of funds.

• Targeted Fund Raiser Day or Week

Choose a targeted Fund-Raiser Day for a set amount of hours that can be set aside for you to advertise as a fund raiser. We offer custom, complimentary flyer artwork which you can copy & distribute, and when people bring the flyer in, your group receives a percentage of those orders.

Or, choose a targeted Fund-Raiser Week, or set period of days, giving you the opportunity to advertise longer, get repeat customers and a chance to make more money for your group by receiving a percentage of the sales.

• Re-sell Da Vinci's Food ie: Pizzas By The Slice or Gift Certificates, for Profit

We offer your non-profit group special discounts so that you can make money by selling pizzas at your event or concession stand. We have provided pizzas for Jr. High Teen Nights, dances, festivals, sports, Bands, Relay for Life, block parties, event booths, and other special fund raising events.

"This past Christmas season the Math and Social Studies Department at Pickerington High School North sold pizzas for our annual Caring and Sharing project to help needy families in the community. Da Vinci's Market was more than willing to help us out and provided 18" pizzas to sell to the students during lunch periods.

We were able to make close to \$750.00 in only 4 hours.

I would certainly recommend using Da Vinci's Market for any fund raiser."

Marti Holcomb Dept. Head, Social Studies - Pickerington High School North

• Get Creative!

Create your own fund raising idea: Make an event and take orders --such as a "Stromboli Day" and your group picks up and delivers the food to people at their homes during a certain window of time on that day, or sell Gift Certificates for holidays or special events at a discounted rate from Da Vinci's. We are happy to help you develop your own unique fund raising opportunity.

• Mobile Kitchen Fund Raisers

Choose to invite the Da Vinci's Market Mobile Kitchen to your next event or fund raiser and raise the fun to a whole new level!

People love the "festival" atmosphere that ordering from our Mobile Kitchen window provides, and your group can set your own custom menu and collect a percentage of sales.

FUND-Raising Opportunities

• Da Vinci's Fountain Fund Raisers

"Sponsor" our Entry Fountain:

Your group "takes over" our fountain for a set period of time. During that time, you can put signs or decorations (tasteful, and as agreed to by Da Vinci's Market) there to indicate your cause; and any "wishes" (coins) which end up in the fountain are yours to keep at the end of the fund raiser. You advertise and encourage people to come make wishes!

Also during that set amount of time, anyone who brings in a flyer (such as mentioned under traditional fund raiser section) or mentions that they are buying food to support your group, also gets an agreed percentage of their order paid back to your group.

• Pucker Powder Fund Raisers

Sponsor a "Pucker Powder Day" at your school or event and sell fun do-it-yourself colorful powdered Candy Art while making money! We can provide you with custom flyer and poster art to copy and dispense as you need. We deliver and pick up the kiosk, and for each tube you sell, your group makes a 25% profit!

"We've had several Da Vinci's Pucker Powder fundraisers at our school dances and they are always a hit. Not only was set up easy (DaVinci's delivered, set up and tore down the machine) but the kids had a blast and it took just one volunteer to sell the candy tubes. This was really an easy way to make extra money. There is no "out of pocket" expense. You get to keep a percentage of everything you sell. We hope to have the machine back at our school for the spring dance!"

Terexa Dawson Arts Impact Middle School PTA, Columbus
